

OVERALL TRACK INTENTIONS:

- Each Track seeks to increase statewide public safety and reduce the taxpayer financial burdens.
- Each Track seeks to decrease negative BIPOC interactions with law enforcement & corrections police officers.
- Each track will seek to develop recommendations for decreasing the number of people of color entering prison and further reduce recidivism rates.
- Each Track will look at “existing” laws and work towards increased implementation, accountability & transparency.
- Each Track is to intentionally assess the relevant policies, regulations, laws and practices that are not functioning to their best intention and develop recommendations to progress these issues
